Minerals	
Sodium, mg	2.0
Potassium, mg	0

Ordering/Reimbursement Information for Polycal™:

Product Code	Reimbursement Code	HCPCS Code	Product Packaging	Calories Per Can
89461	49735-0111-52	B4155	12 x 400 g (14.1 oz)	1536

Ingredient:

Maltodextrin.

Mixing Instructions:

1. Simply add recommended amount of powder into beverage and stir well.
2. If adding to foods, mix powder with sufficient liquid to form a smooth paste before stirring into hot or cold foods.
3. Foods or drinks mixed with Polycal should be stored in a refrigerator for no more than 24 hours from time of preparation. Stir or shake immediately before serving.

Storage:

Store unopened can in a cool, dry place. Once opened, use contents within 1 month. Replace lid firmly after use.

Important Notice:

Must only be consumed under medical supervision. For oral or tube feedings. Not for parenteral use. Not intended for children under one year of age. Not suitable as a sole source of nutrition.
